MEMORANDUM FOR: Director of Medical Services
FROM : John F. Blake
Deputy Director for Administration

Charlie:

It was with extreme pleasure that I read the highly commendatory words of [REDACTED] concerning [REDACTED] brief tour of duty at [REDACTED] facility. It came at a very propitious time. I am pleased that it worked out as well as it did, and I trust [REDACTED] is correct when he observes that Bob thoroughly enjoyed it. Please extend my compliments to Bob.

MEMORANDUM FOR: D/OMS

THROUGH : D/OSO

SUBJECT : TDY - Dr. [REDACTED]

STATINTL

1. This Facility wishes to express its thanks and appreciation to the Office of Medical Service for providing Dr. [REDACTED] on TDY to fill in while Dr. [REDACTED] was on home leave. As this Facility is located in a remote area, the services of a physician are particularly valuable to the overall health of our personnel and their families and play a major role in the high morale we enjoy. During this period when so many local medical personnel are on holiday, Dr. [REDACTED] assistance filled a real need.

STATINTL

2. Most important, Site wishes to commend Dr. [REDACTED] on his performance. His skill, motivation and personality quickly established him not only as a member of the Facility team but throughout the medical profession in the community. His personal care and attention to each of his patients continued the strong level of medical support Facility personnel and their dependents have enjoyed. In continuing Dr. [REDACTED] role as part of the Community Health Service, Dr. [REDACTED] so contributed his talents to the community at large. His keen interest in the assignment and the desire to share in a rather unique medical practice were reflected in his day to day response to the challenge. Despite his long hours and efforts to provide this service, it was rather obvious that Dr. [REDACTED] thoroughly enjoyed his assignment. We certainly enjoyed his company and look forward to seeing him again should the need arise.
